We will supply you with a new facemask & gloves

Arrival at the Hotel

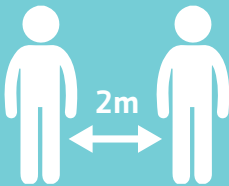

Luggage, passport, footwear & person will be sprayed before entering the hotel ground

Your temperature will be taken periodically during your stay

You will be taken directly to your room, for refreshing
After you can return to the Reception to complete your check in

What we need you to do

Respect social distancing

Wear facemask & gloves in public

Accept to be sprayed with disinfectant before entering the hotel ground

Report to the hotel management any symptoms of feeling unwell

If you have any symptoms, be willing to be quarantined until tested

What you can bring

Single Use Plastic was banned in Dahab. Sadly the guidelines required bring back its use.

Help us avoid the impact that single use plastic has on Dahab!

Bring your own plate, bowl, cup and cutlery

And don't forget to pack a pen and your own beach towel
